**Public Disclosure:** Responses to Become Public Records. All materials submitted in response to this RFP become a matter of public record and shall be regarded as public record.

New Mexico Inspection of Public Records Act, Section 14-1-1 et seq., NMSA 1978 as Amended (“IPRA”) limits the UNMHS’s ability to withhold prequalification and bid data to trade secrets or records, the disclosure of which is exempt or prohibit pursuant to federal or state law.

**Confidentiality:** As a state institution, UNMHS is subject to the IPRA, so unless there is an exception under the law, documents in the University's possession are subject to review by any member of the public. One exception to this general rule is for trade secrets. Trade secrets are not subject to disclosure under an IPRA request. New Mexico law defines a "trade secret" at NMSA Sec. 57-3A-2. Please review the definition (or have your company attorney do so) and explain how the pages that you have marked as "Confidential" fall within New Mexico's definition of a trade secret.

The UNMHS will recognize as confidential only those elements in each response, which are readily separable from the proposal into its own section and which are clearly marked as “CONFIDENTIAL” or “PROPRIETARY” to facilitate eventual public inspection of the non-confidential portion of the proposal. PLEASE NOTE: The price of products offered or the cost of services proposed **shall not be designated** as proprietary or confidential information.

UNMHS will ignore markings of “CONFIDENTIAL” on proposal cover sheets or on every page. Vague designations and blanket statements regarding entire pages or documents are insufficient and shall not bind the UNMHS to protect the designated matter from disclosure. Do not mark your cover page confidential. Do not put the word “confidential” on every page. Do not identify pricing as confidential.

If you identify any portions of our proposal as confidential or as a trade secret, you agree, by submitting your proposal, that UNMHS’s sole obligation in connection with an IPRA request relating to your proposal is to provide you with notice of the IPRA request so that you may seek relief as you may deem appropriate. UNMHS reserves the right to reject any proposal not in compliance with this paragraph.

The UNMHS shall not in any way be liable or responsible for the disclosure of any records if they are not plainly marked “CONFIDENTIAL” or “PROPRIETARY” or if disclosure is required by law, regulation, subpoena, order of the court or other legal requirements that purports to compel disclosure, including without limitation, the IPRA.

Price and information concerning the specifications cannot be considered confidential. (UNMHS Purchasing Regulations 11.6.3.)
53. PURCHASE ORDER/AGREEMENT. Any resultant Purchase Order/Agreement shall be the sole and entire Purchase Order/Agreement between the parties; any documents incorporated into the Purchase Order/Agreement are listed explicitly on the front side of the Purchase Order/Agreement, or are incorporated by implication by the terms of any resultant Purchase Order/Agreement. Any terms inconsistent with or in addition to any resultant Purchase Order/Agreement proposed by Seller are deemed rejected unless agreed to in writing by an appropriate University official.
54. RELATIONSHIP OF PARTIES. The parties and their respective employees are at all times acting as independent Offerors. Offeror will not be considered an employee of UNMHS for any purpose, including, but not limited to, workers' compensation, insurance, bonding or any other benefits afforded to employees of UNMHS. Neither party has any express or implied authority to assume or create any obligation or responsibility on behalf of or in the name of the other party.
55. RELEASE UNMHS REGENTS. The Contractor shall, upon final payment of the amount due under the contract release Regents of the University of New Mexico Hospitals, their officers and employees and the State of New Mexico from liabilities, claims and obligations whatsoever arising from the contract. The Contractor agrees not to purport to bind the University of New Mexico Hospitals or the State of New Mexico to any obligation not assumed in the contract by the Regents of the University of New Mexico Hospitals or the State of New Mexico unless the Contractor has express, written authority to do so, and then only within the strict limits of that authority.

56. REMOVAL OF OFFEROR'S EMPLOYEE(S). UNMHS may request that Offeror's employee(s) be removed from the work under the contract for cause. The UNMHS may immediately terminate, with written notice to Offeror, the services of any Contactor employee, if the University of New Mexico's management believes in good faith that Offeror's employee is unable to perform the services with reasonable skill. Offeror's agreement may also be terminated if Offeror's liability insurance coverage is modified or terminated.
57. REQUEST AS AGREEMENT: This Request for Proposal governs any offer and the selection process. Submission of an offer in response to this Request for Proposal constitutes acceptance of all this Request's terms and conditions. The terms and conditions of the Request may not be modified, altered, nor amended in any way by any Offer. Any such modification, alteration, or amendment shall be considered to be a request for modification, alteration or amendment; which request shall be deemed denied unless specifically accepted in writing by UNMHS. Upon issuance of a Purchase Order, this Request shall be superseded, unless it is referenced on the front page of the Purchase Order, in which case it shall be deemed to be fully incorporated and integrated into the resultant contract.
58. RETENTION OF RECORDS. Contractor will maintain detailed records indicating the date, time and nature of services provided under the Agreement for a period of at least five years after termination of the Agreement and will allow access for inspection by the University of New Mexico Hospitals, the Secretary for Health and Human Services, the Comptroller General and the Inspector General to such records for the purpose of verifying costs associated with provisions of services under the Agreement.

60. RIGHT TO WAIVE MINOR IRREGULARITIES. The UNMHS Evaluation Committee reserves the right to waive minor irregularities. The UNMHS Evaluation Committee also reserves the right to waive mandatory requirements provided that all of the otherwise responsive proposals failed to meet the same mandatory requirements and the failure to do so does not otherwise materially affect the procurement. This right is at the sole discretion of the UNMHS Evaluation Committee.
61. SCHEDULE DELAYS. If after the award, the Seller becomes aware of possible problems that could result in delay in completion of the work on the agreed-to schedule; the Seller must immediately notify the Buyer or the designated representative. The initial notification of the delay may be verbal with a written confirmation, giving the probable cause and effect, with recommendations for alternate action. Nothing in this paragraph will be interpreted as relieving the Seller of its contractual obligations; however, failure to notify UNMHS promptly will be basis for determining the Seller responsibility in an otherwise excusable delay.
62. SELLER'S EMPLOYEES AND AGENTS. Seller shall have complete charge and responsibility for persons employed by Seller and engaged in the performance of the specified work. The Seller, its agents and employees state that they are independent contractors and not employees of the University. Seller, its agents and employees shall not accrue leave, retirement, insurance, bonding or any other benefit afforded to employees of the University as a result of any resultant Purchase Order/Agreement.
63. SITE FAMILIARITY. The Seller shall be responsible for thoroughly inspecting the site and work to be done prior to submission of an offer. The Seller warrants by this submission that the site has been thoroughly inspected and the work to be done and that the offer includes all costs required to complete the work. The failure of the Seller to be fully informed regarding the requirements of this Request will not constitute grounds or any claim, demand for adjustment or the withdrawal of an offer after the opening.
64. SITE INSPECTION. The site(s) referenced in this RFP are available for inspection. Arrangements may be made by contacting the individual listed on the cover sheer.
65. STATE AND LOCAL ORDINANCES. The Seller shall perform work under the resultant contract in strict accordance with the latest adopted version of all State and local codes, ordinances, and regulations governing the work involved. All materials and labor necessary to comply with the rules, regulations and ordinances shall be provided by the Seller. Where the drawings and/or specifications

The Seller shall be responsible for the final execution of the work to meet these requirements. In the event of a conflict between various codes and standards, the more stringent shall apply.

66. STATE AND LOCAL ORDINANCES. The Offeror shall perform work under this contract in strict accordance with the latest adopted version of all State and local codes, ordinances, and regulations governing the work involved.
67. TAX SEGREGATION (CONSTRUCTION RELATED PROJECTS). In the performance of construction related services under this solicitation, the Seller agrees to work with and cooperate with the University's Tax Cost Segregation Consultant. The University's tax cost segregation consultant will be responsible for coordination, oversight and analysis of the effective application of New Mexico Gross Receipts Tax for each general Offeror involved with the construction projects at UNMHS. Such services of the segregation consultant will be performed in accordance with New Mexico Statutes and relative regulations governing the application of New Mexico gross receipts tax to tangible personal property acquisition made by UNMHS for various construction projects.
68. TERMINATION AND DELAYS. The University may by written notice stating the extent and effective date, terminate any resultant Purchase Order/Agreement for convenience in whole or in part, at any time. The University shall pay Seller as full compensation for performance until such termination: (1) the unit or pro rata order price for the delivered and accepted portion; and (2) incidental damages, not otherwise recoverable from other sources by Seller, as approved by the University, with respect to the undelivered or unaccepted portion of any resultant Purchase Order/Agreement provided compensation hereunder shall in no event exceed the total contracted price. Such amount will be limited to Seller's actual cost and may not include anticipated profits. The University shall not be liable for consequential damages. The University may by written notice terminate any resultant Purchase Order/Agreement in whole or in part for Seller's default if Seller refuses or fails to comply with the provisions of a resultant Purchase Order/Agreement or fails to make progress so as to endanger performance and does not cure such failure within a reasonable period of time. In such event, the University may otherwise secure the materials, supplies or services ordered, and Seller shall be liable for damages suffered by the University thereby, including incidental and consequential damages. If after notice of termination, the University determines Seller was not in default, or if Seller's default is due to failure of the University, termination shall be deemed for the convenience of the University. The rights and remedies of the University provided in this paragraph shall not be exclusive and are in addition to any other rights and remedies provided by law or under a resultant Purchase Order/Agreement as used in this paragraph, the word "Seller" includes Seller and Seller's sub-suppliers at any tier.
69. THIRD PARTIES. Nothing in this Agreement, express or implied, is intended to confer any rights, remedies, claims, or interests upon a person not a party to this Agreement.
70. TITLE AND DELIVERY. Title to the materials and supplies passed hereunder shall pass to the University upon acceptance at the FOB point specified, subject to the right of the University to reject. For any exception to the delivery date specified, Seller shall give prior notification and obtain approval thereto from the University's Purchasing Department. Time is of the essence and the Purchase Order/Agreement is subject to termination for failure to deliver on time.
71. WAIVER. The Contract shall contain a provision that states that no waiver of any breach of the Contract or any terms or conditions thereof shall be held to be a waiver of any other or subsequent breach; nor shall any waiver be valid, alleged or binding unless the same shall be in writing and signed by the party to have granted the waiver.
72. WARRANTIES. Seller warrants the goods and/or services furnished to be exactly as specified in any resultant Purchase Order/Agreement, free from defects in Seller's design, labor, materials and manufacture, and to be in compliance with any drawings or specifications incorporated herein and with any samples furnished by Seller.
